Biobased Success Story

Green Cleaning Products in Peoria

The NCAUR Administrative Team in Peoria, IL is purchasing Green Cleaning products through McCoy Quality Services, a subcontractor to their O&M Contractor (Ameritac). In the O&M Contract there is language on green products and bio-preferred products. The McCoy Quality Services Team has been instrumental in approaching the Government and testing/implementing the use of these green cleaning products. Here is a list of what they use:

- Earth Sense ASPIRE floor sealer/wax manufactured by Nat'l Chem Lab
- Green Solutions floor sealer/wax manufactured by Spartan
- Earth Sense Green Impact floor stripper manufactured by Nat'l Chem Lab
- Clean by Peroxy carpet cleaner manufactured by Spartan
- Lemon Oil stainless cleaner
- Green Solutions all purpose cleaner manufactured by Spartan
- Organic Acid Toiler toilet bowl cleaner manufactured by Spartan
- Clean by Peroxy floor cleaner manufactured by Spartan
- Microfiber towels for glass cleaning
- Degrade-Away trash can liners manufactured by Degrade-Away
- Top Clean manufactured by Hillyard Industries (Green Seal Certified)
- One Plus wax; manufactured by Hillyard Industries (Green Seal Certified)
- Envirostar wax; manufactured by Pioneer Eclipse Green Seal Certified)

It is ARS policy that green cleaning products be used everywhere unless there is a mission requirement for another product to be used. See <http://www.afm.ars.usda.gov/acquisitions/pdffiles/APDA1ert2010-03.pdf>.
