

*The San Juan Basin Extension Beef Cattle Symposium has become a tradition in SW Colorado and NW New Mexico. Educational programs are important to help us sustain this way of life. The 2010 Beef Cattle Symposium will primarily focus on disease, nutrition, and herd health. There will be something of interest in this area for everyone who is involved or planning to be involved in beef production. Please join us!*

---

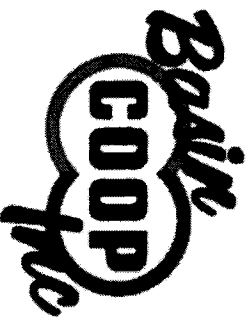

**Workshop Fee: \$20 per person**  
**Includes Workshop Materials and Lunch**

**Late Registration: \$25 per person**  
**For registrations received (not post-marked) after February 25th, 2010. No lunch or materials guarantee on late registrations.**

---

***THANKS TO...***

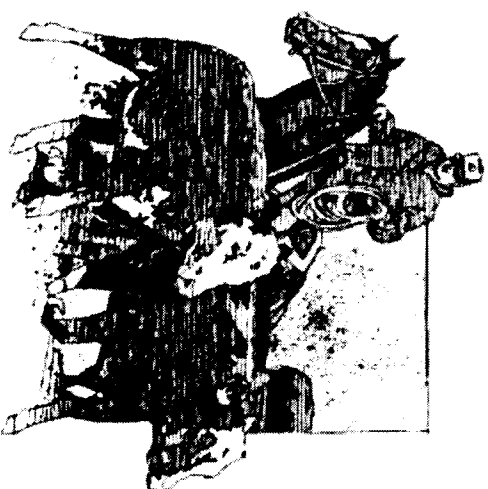

We would also like to say hearty thank you to our long-time sponsor, Basin Coop in Durango for their help in making this program a success each and every year.
