The policy of the National Plant Germplasm System (NPGS) is that all non-restricted material deposited in the NPGS will be freely distributed to scientists for research purposes. The owner's institutional legal signature on this SIF authorizes the NPGS to distribute the sample under prevailing NPGS distribution policy.

Name and Title:

Authorized Legal Signature (required):  Date:

**TAXONOMY**

Genus:  Species:  Sub-species:

Variety/cultivar name:

Donor/Developer identifier:

Other identifier:

Differential Host Set Pathogen (common and scientific name of disease):

**DEPOSIT INFORMATION** (Send 3000-5000 seeds, **UNTREATED SEED ONLY**)

Number of seeds to be distributed:

Percent Germination:  Date of test:  Harvest Date:

**SEED INSPECTION**
