

PVP POTATO VOUCHER SUBMISSION PROTOCOL

(Non-U.S. depositors please read shipping instructions below)

1. Voucher sample should be sent by commercial carrier (i.e. FEDEX, UPS, DHL, etc.) and be sent overnight. Contact NLGRP-PVPCoordinator@usda.gov if other delivery options are needed (i.e. local drop off)
2. Depositor must notify NLGRP prior to shipment and include tracking information. Send notification to: NLGRP-PVP-Coordinator@usda.gov and PVPOMail@usda.gov. Please include “Potato PVP # xxxxxx” in subject line.
3. Complete and attach PVP POTATO TISSUE CULTURE VOUCHER DEPOSIT FORM to shipment notification email and enclose a copy of printed form with material.
4. If using contracting laboratories to produce plantlets for submission to NLGRP, the depositor is responsible for ensuring laboratories follow the voucher submission protocol.
5. Ten (10) separate in vitro plants (one plant per tube), firmly rooted in 1 % agar and tubes shipped upright in package should be deposited. Plantlets should not be older than two weeks; note date of culture on each tube.
6. NLGRP requests that the depositor provides instructions for maintenance of materials. Strict confidentiality will be maintained by the PVPO and NLGRP as to the specifics of instructions, in accordance with law and equity.
7. Labels required on outside of package:

‘Live Plants’

“Do Not Place in Cold Storage”

“Open Package Immediately”

“Arrows” indicating right side up

Shipping Instructions

NLGRP Shipping Address:

NLGRP Attn: PVP Coordinator
1111 South Mason Street
Fort Collins, CO 80521

Non-US Depositors:

- a. Email NLGRP-PVP-Coordinator@usda.gov, **in advance of shipping** to request instructions for importing material into the United States. Please let us know if you are importing seed or potato plantlets, and the country where the material was field grown.
- b. NLGRP will provide depositor with an Import Instruction Letter and appropriate permit/shipping label (if applicable). The Import Instruction Letter instructs how to import material in accordance to USDA Animal and Plant Health Inspection Service (APHIS) regulations. Please follow all instructions carefully. **Material may be destroyed or returned if conditions and regulations are not met.**
- c. Information on specific import requirements can be found in the APHIS Plants for Planting Manual and/or APHIS Agricultural Commodity Import Requirements Search Tool (<https://www.aphis.usda.gov/aphis/ourfocus/planthealth/complete-list-of-electronic-manuals>).
