**Third Annual**  
**Bill Yamazaki Soft Wheat Cereal Science Student Competition**  
**Competition First Prize - \$100 to the student.**

The USDA-ARS Soft Wheat Quality Laboratory is hosting a student poster competition as part of our 60<sup>th</sup> Annual Research Review on March 19<sup>th</sup>, 2014. The award is named for the Dr. William Yamazaki, Agricultural Research Service Scientist and former Director of the Soft Wheat Quality Laboratory. The competition seeks to foster the careful scholarship and broad-based knowledge that characterized Dr. Yamazaki's career.

Posters will address original research in the area of soft wheat milling and baking quality. Topics may include cereal chemistry, engineering, food technology, agronomy and genetics to improve soft wheat quality, or related fields directed towards adding knowledge and value to the soft wheat industry.

Students submitting a poster will be charged no registration fee for the meeting. Each student will present a brief, 5 minute synopsis of the poster during the meeting. Posters will be judged on the basis of scientific merit, quality of research, and quality of presentation.

Who is eligible: Graduate and undergraduate students enrolled in spring semester 2014.

Where: Posters will be displayed during the 60<sup>th</sup> Soft Wheat Quality Research Review, Wooster OH.

Why: The poster session has the goal of bringing forward new ideas and new scientists in the area of cereal science working in the agricultural and food industries.

When: Title submissions should be e-mailed with research review registration by February 4: <sup>th</sup> to Diane Perry, [diane.perry@ars.usda.gov](mailto:diane.perry@ars.usda.gov).

How: Students should complete the attached registration form and title registration. Mark the poster as a student poster. The meeting registration fee is waived for poster presenters. Payment for the banquet at the Wooster Inn is required if attending the Wednesday evening dinner.
