BILLING CODE 4210-67-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5750-N-15]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

FOR FURTHER INFORMATION CONTACT:

Juanita Perry, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 402-3970; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Ritta, Ms. Theresa M. Ritta, Chief Real Property Branch, the Department of Health and Human Services, Room 5B-17, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857, (301)-443-2265 (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-

800-927-7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (i.e., acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: *Agriculture:* Ms. Debra Kerr, Department of Agriculture, Reporters Building, 300 7th Street SW., Room 300, Washington, DC 20024, (202)-720-8873; *Air Force:* Ms. Connie Lotfi, Air Force Real Property Agency, 143 Billy Mitchell Blvd., San Antonio, TX 78226, (210) 925-3047; *Army:* Ms. Veronica Rines, Office of the Assistant Chief of Staff for Installation Management, Department of Army, Room 5A128, 600 Army Pentagon, Washington, DC 20310, (571)-256-8145; *COE:* Mr. Scott Whiteford, Army Corps of Engineers, Real Estate, CEMP-CR, 441 G Street NW., Washington, DC 20314; (202) 761-5542; *Energy:* Mr. David Steinau, Department of Energy, Office of Property Management, 1000 Independence Ave. SW., Washington, DC 20585 (202) 287-1503; *GSA:* Mr. Flavio Peres, General Services Administration, Office of Real Property Utilization and Disposal, 1800 F Street NW., Room 7040 Washington, DC 20405, (202) 501-0084; *Interior:* Mr. Michael Wright, Acquisition & Property Management, Department of the Interior, 3960 N. 56th Ave. #104, Hollywood, FL 33021; (443) 223-4639; (These are not toll-free numbers).

Dated: April 3, 2014.

Mark Johnston,

Deputy Assistant Secretary for Special Needs.

DEPARTMENT OF ENERGY

Western Area Power Administration

[LLNM930000 L51010000.ER0000
LVRWG14G0790 14XL5017AP]

Notice of Availability of the Proposed Southline Transmission Line Project Draft Environmental Impact Statement and Draft Resource Management Plan Amendment, New Mexico and Arizona

AGENCY: Bureau of Land Management, Interior; Western Area Power Administration, Department of Energy.
ACTION: Notice of availability.

SUMMARY: In accordance with the National Environmental Policy Act of 1969, as amended (NEPA), and the Federal Land Policy and Management Act of 1976, as amended (FLPMA), the Bureau of Land Management (BLM) and the Western Area Power Administration (Western), have prepared a Draft Environmental Impact Statement (EIS) and Draft Resource Management Plan (RMP) Amendment for the proposed Southline Transmission Line Project (Project), and by this notice are announcing the opening of the comment period.

DATES: To ensure that comments will be considered, the BLM must receive written comments on the Draft EIS and Draft RMP Amendment within 90 days following the date the Environmental Protection Agency publishes its Notice of Availability in the **Federal Register**. The BLM and Western will hold public hearings on the Draft EIS and Draft RMP Amendment at various locations in New Mexico and Arizona during the public comment period, and will announce future meetings or hearings and any other public involvement activities at least 15 days in advance through direct mailings to the Project mailing list, local news media, newsletters, and posting on the BLM Web site at <http://www.blm.gov/nm/southline>.

ADDRESSES: You may submit comments related to the Southline Transmission Line Project by any of the following methods:

- Web site: <http://www.blm.gov/nm/southline>.
- Email: BLM_NM_Southline@blm.gov.

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5750-N-33]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

FOR FURTHER INFORMATION CONTACT: Juanita Perry, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 402-3970; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where

property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense.

Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Ritta, Ms. Theresa M. Ritta, Chief Real Property Branch, the Department of Health and Human Services, Room 5B-17, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857, (301) 443-2265 (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (i.e., acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: **AGRICULTURE:** Ms. Debra Kerr, Department of Agriculture, Reporters Building, 300 7th Street SW., Room 300, Washington, DC 20024, (202) 720-8873; **AIR FORCE:** Ms.

Connie Lotfi, Air Force Real Property Agency, 143 Billy Mitchell Blvd., San Antonio, TX 78226, (210) 925-3047; **COAST GUARD:** Commandant, United States Coast Guard, Attn: Jennifer Stomber, 2100 Second St. SW., Stop 7901, Washington, DC 20593-0001; (202) 475-5609; **COMMERCE:** Ms. Linda Steward, Department of Commerce, Office of Real Estate, 1401 Constitution Ave. NW., Room 1036, Washington, DC 20230, (202) 482-1770; **NASA:** Mr. Frank T. Bellinger, Facilities Engineering Division, National Aeronautics & Space Administration, Code JX, Washington, DC 20546, (202) 358-1124 **NAVY:** Mr. Steve Matteo, Department of the Navy, Asset Management Division, Naval Facilities Engineering Command, Washington Navy Yard, 1330 Patterson Ave. SW., Suite 1000, Washington, DC 20374; (202) 685-9426 (These are not toll-free numbers).

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5807-N-01]

Proposed Fair Market Rents for the Housing Choice Voucher Program, Moderate Rehabilitation Single Room Occupancy Program and Other Programs Fiscal Year 2015

AGENCY: Office of the Assistant Secretary for Policy Development and Research, HUD.

ACTION: Notice of Proposed Fiscal Year (FY) 2015 Fair Market Rents (FMRs).

SUMMARY: Section 8(c)(1) of the United States Housing Act of 1937 (USHA) requires the Secretary to publish FMRs periodically, but not less than annually, adjusted to be effective on October 1 of each year. The primary uses of FMRs are to determine payment standards for the Housing Choice Voucher (HCV) program, to determine initial renewal rents for some expiring project-based Section 8 contracts, to determine initial rents for housing assistance payment contracts in the Moderate Rehabilitation Single Room Occupancy program, and to serve as rent ceilings in the HOME program. FMRs are also used in the calculation of maximum award amounts for Continuum of Care grantees. Today's notice provides proposed FY 2015 FMRs for all areas that reflect the estimated 40th and 50th percentile rent levels trended to April 1, 2015. The FY 2015 FMRs are based on "5-year" data collected by the American Community

Survey (ACS) from 2008 through 2012. These data are updated by one-year 2012 ACS data for areas where statistically valid one-year ACS data is available. The Consumer Price Index (CPI) rent and utility indexes are used to further update the data from 2012 to the end of 2013. Finally, ACS data on changes national median gross rents from 2007 to 2012 are used to inflate the 2013 estimates to the 2015 levels. HUD continues to use ACS data in different ways according to the statistical reliability of rent estimates for areas of different population sizes and counts of rental units. The proposed FY 2015 FMRs in this notice do not reflect any updates to the methodology used to calculate FMRs.

The proposed FY 2015 FMR areas are based on Office of Management and Budget (OMB) metropolitan area definitions as updated through December 1, 2009, and include HUD modifications that were first used in the determination of FY 2006 FMR areas. The February 28, 2013 OMB Area definition update has not been incorporated in this set of proposed FMRs due to the timing of the release and the availability of ACS data. HUD will work toward evaluating the impact of these new area definitions and discuss these findings in the final FY 2015 FMR publication, or, if that is not possible, in a subsequent publication in January 2015.

The January 2015 notice will also discuss and solicit comments on several topics related to the calculation of FMRs, including the implementation of the February 28, 2013 OMB Metropolitan Area Definitions and possible measures the Department is considering that would reduce the concentration of Section 8 voucher tenants. For example, HUD is evaluating alternatives to the current 50th percentile FMR program, which was implemented to mitigate excessive geographic concentration of voucher tenants. Comments will be requested to determine interest in a program that is based on different measures for determining how many and which areas would receive special FMRs to encourage deconcentration, as well as on alternative FMR-based tools for promoting deconcentration such as Small Area FMRs estimated at the ZIP code level.

DATES: *Comment Due Date: September 15, 2014.*

ADDRESSES: Interested persons are invited to submit comments regarding the proposed FMRs to the Regulations Division, Office of General Counsel, Department of Housing and Urban

United States Department of Agriculture
Research, Education and Economics
Agricultural Research Service

Re: USDA NEPA Review for Building Demolition at the Beltsville Agricultural Research Center

To Whom It May Concern:

The U.S. Department of Agriculture (USDA), Agricultural Research Service (ARS), Eastern Business Service Center (EBSC) is preparing an Environmental Assessment (EA) addressing the proposed removal of buildings at the Beltsville Agricultural Research Center (BARC) in Beltsville, Maryland. Demolition of these structures, many in severe disrepair, supports USDA's effort to reduce maintenance costs, and promotes BARC's redevelopment to support other regional and national research opportunities. USDA is seeking agency and public input in developing a staged plan for removal of a number of BARC buildings.

USDA has retained LSY Architects and Lab Planners (LSY) and Burns & McDonnell Engineering Company, Inc. (Burns & McDonnell) to conduct the environmental review and prepare the EA for the proposed action. As part of the EA, Burns & McDonnell needs your help to identify social, cultural, and natural resources in the proposed action study area. Your input will help shape the direct and indirect effects the proposed action may have on those resources. It will also help identify any studies and mitigation or permits required before demolition is approved. The study team will use your input to evaluate impacts in the following categories:

- Land use;
- Visual environment;
- Air quality and noise;
- Soils and geology;
- Wetlands and waters of the United States;
- Vegetation, wildlife, and fisheries (threatened and endangered species);
- Socioeconomics (population, employment, growth, and development);
- Hazardous materials and waste disposal;
- Cultural resources (historic and archaeological);
- Transportation and roads (access and traffic patterns);
- Safety and security; and
- Cumulative effects.

USDA welcomes comments about the proposed action related to your agency's regulatory jurisdiction or area of expertise. Please refer to the enclosed study area map of BARC.

Please provide your agency's input no later than October 25, 2019.

You may provide comments by email to scannonmackey@burnsmcd.com or by mail to:

Re: Beltsville Agricultural Research Center Building Demolitions
Prince George's County, MD

Dear Mr. Jackson:

Thank you for your recent letter, dated September 25, 2019 and received by the Maryland Historical Trust (Trust) on September 30, 2019, regarding the above-referenced initiative.

The letter states that USDA is preparing an Environmental Assessment pursuant to NEPA to address the proposed removal of buildings at the Beltsville Agricultural Research Center (BARC) and requested information relevant to our agency's area of expertise - cultural resources (historic and archeological sites). In conjunction with its NEPA efforts, USDA/BARC will need to consult with the Trust, Maryland's State Historic Preservation Office, and consider the undertaking's effects on historic and archeological properties, pursuant to Section 106 of the National Historic Preservation Act. We appreciate the opportunity to provide input on this initiative and offer the following preliminary comments.

USDA/BARC has completed extensive efforts to identify its historic resources over the last 20+ years, in consultation with the Trust. The entire Beltsville Agricultural Research Center, recorded in the Maryland Inventory of Historic Properties as PG: 62-14, is a historic district which BARC determined eligible for inclusion in the National Register of Historic Places in 1998, with concurrence from the Trust. The Determination of Eligibility documentation provides a succinct statement of the property's significance:

The BARC is eligible under Criterion A as an important site which reflects the development of a national center for agricultural experimentation and testing. It is the main research facility of the U.S. Department of Agriculture, and is the leading and most diversified agricultural research complex in the world. Government acquisition began in 1910, and grew rapidly with the Depression-era programs of the 1930s and 1940s. Included within the complex are areas for the Beltsville Human Nutrition Research Center, the Livestock and Poultry Science Institute, the Natural Resources Institute, and Plant Sciences Institute. The diversity of the scientific research conducted at BARC has influenced many aspects of 20th century living for the farmer as well as the consumer. The history and development of the agricultural research facility reflects New Deal policies and programs. The Beltsville Agricultural Research Center is also eligible under Criterion C. Because the mission of the facility has remained constant over the years, the landscape reflects a strong level of integrity. The physical appearance of BARC was strongly influenced in the 1930s by the planning team of A.D. Taylor, landscape architect, and Delos Smith, architect. The Civilian Conservation Corps and the individual bureaus at BARC played important roles in shaping the landscape as well. Contributing elements of the landscape include major paved roads, including Powder Mill Road, minor service roads, field and research crops, pasture lands, seasonal ponds, forests, sustainable meadows, other landscape features, and buildings.

Dana Jackson
Beltsville Agricultural Research Center Building Demolitions
October 11, 2019
Page 2 of 2

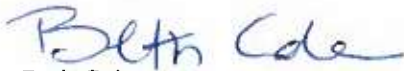

In addition to its historic buildings and landscape elements, the BARC facility contains numerous inventoried archeological sites, as well as the likely potential for sites that have not yet been identified, reflecting the property's long span of human occupation and uses from prehistoric through historic time periods.

The recent letter provided few details regarding the proposed demolitions and only a general overview map of the campus. Many of the buildings slated for demolition are likely historic resources that contribute to the district. The exact nature, extent, and specific locations of the proposed demolitions remains unknown to our agency at this time. Nevertheless, the anticipated demolition program will certainly have an effect on BARC's historic properties.

Under Section 106, BARC has the responsibility to consider the effects of its undertakings on historic properties and to consult with the Trust, as well as other interested parties, to develop effective ways to avoid, minimize, or mitigate, any adverse effects on historic properties. We await formal initiation of the Section 106 consultation from USDA/BARC for this undertaking. The submittal should provide essential information and details regarding the undertaking (description, maps, list of involved buildings, status of the buildings' National Register eligibility, alternatives under consideration, and plans to notify consulting parties and the public) pursuant to the procedures in the Section 106 regulations 36 CFR Part 800.

We look forward to further consultation with USDA/BARC and other involved parties to successfully complete the Section 106 review of the proposed building demolition initiative. If you have questions or need further assistance, please contact me at beth.cole@maryland.gov or 410-697-9541. Thank you for providing us this opportunity to comment.

Sincerely,

Beth Cole

**RE: Environmental Review for USDA Building Demolition at Beltsville Agricultural Research Center:
4 sites, Prince George's County, Maryland.**

Dear Ms. Cannon-Mackey:

For all four sites as shown on your map, the Wildlife and Heritage Service has determined that there are no official State or Federal records for listed plant or animal species within the delineated area shown on the map provided. As a result, we have no specific concerns regarding potential impacts or recommendations for protection measures at this time. Please let us know however if the limits of proposed disturbance or overall site boundaries change and we will provide you with an updated evaluation.

Thank you for allowing us the opportunity to review this project. If you should have any further questions regarding this information, please contact me at (410) 260-8573.

Sincerely,

Lori A. Byrne,
Environmental Review Coordinator

Subject: FWS Review of USDA Building Demolition project

Hi Shari-

We received your information regarding the USDA ARS building demolition project taking place in Beltsville, MD. There are no federally listed species expected to occur at that site, so this project will have "no effect" on listed species. Thank you for providing your project for review. Please let me know if you have any questions.

Thank you,
Kathleen

PUBLIC NOTICE - Request for Public Input Concerning the Preparation of an Environmental Assessment Addressing the Removal of Buildings at the Beltsville Agricultural Research Center

The U.S. Department of Agriculture (USDA), Agricultural Research Service (ARS), Eastern Business Service Center (EBSC) is preparing an Environmental Assessment (EA) addressing the proposed removal of buildings at the Beltsville Agricultural Research Center (BARC) in Beltsville, Maryland. Demolition of these structures, many in severe disrepair, supports USDA's effort to reduce impact on the Chesapeake Bay Watershed by eliminating these impervious surfaces. BARC's MS4 Permit requires a 20-percent reduction of all impervious surface by 2025. In addition to reducing impervious surfaces, BARC is also looking to benefit by reducing facility maintenance costs, and by promoting BARC redevelopment necessary to support research opportunities.

The USDA invites the public, governmental agencies, and other interested parties to comment about the scope of the environmental review. The input received will help develop a staged plan for removal of buildings across the BARC facility and will also help assess the potential direct and indirect effects the proposed building demolition may have on BARC resources. Please provide comments in writing, within thirty (30) days of the publication of this notice, as outlined below.

Submit written comments to:

Shari Cannon-Mackey, CEP, ENV SP, Burns & McDonnell, 8911 North Capital of Texas Highway, Building 3, Suite 3100, Austin, Texas 78759.

Co-op Month

Members and Others Benefit From Our Local Cooperatives

by Leta Mach

Co-op Month has been celebrated annually in October across the U.S. for more than half a century. It is a time for cooperatives to reflect on their shared principles and to educate others about the value of belonging to a cooperative. In honor of Co-op Month, here is the second of three co-op related articles to be published in the News Review.

Member Participation

It is crucial to the success of a cooperative that members use its services. Using the local cooperative is also good for the local economy. For every \$100 spent locally, roughly \$68 to \$73 is returned to local activity because locally-owned businesses often purchase from other local businesses, service providers and farms. Purchasing local helps grow other businesses as well as the region's tax base.

As not-for-profit organizations, credit unions generally offer better rates than for-profit banks. Members of Greenbelt Homes Inc. (GHI) can find affordable homes. Co-op Supermarket and Pharmacy members receive an annual patronage dividend based on the financial performance of the store. Likewise, members of the Greenbelt News Review may receive a dividend that depends upon the financial success of the paper. The volunteer work of Greenbelt Nursery School members helps the school provide high-quality early childhood education at a moderate cost. Greenbelt MakersSpace Cooperative members save money by learning how to repair equipment.

Education and Training

Education, training and information is the principle that is crucial to the continued success of cooperative businesses. Greenbelt co-ops provide this in many ways with a highlight being participation in the Greenbelt Cooperative Alliance to explain cooperative business to both co-op members and non-members. In addition to fulfilling its purpose of disseminating information,

the Greenbelt News Review also works with college interns to further their education. The Co-op Supermarket and Pharmacy holds sampling of products and offers consumer information, including factsheets and recipes. GHI sends email and printed newsletters and holds town hall meetings on relevant topics. The Greenbelt Federal Credit Union has financial counseling and education for members through GreenPath Financial Wellness and in its quarterly newsletters. The New Deal Café hosts the monthly Reel and Meal at the New Deal film series exploring vital environmental, animal rights and social justice issues followed by a discussion with experts and/or filmmakers on the subject of the film. The café is also a meeting place for city, county, legislative district and state elected officials to meet with constituents. Greenbelt MakersSpace holds regular sessions to help people learn how to repair equipment. And the purpose of Greenbelt Nursery School is to provide an enriching educational environment for young children and their parents.

Parents Night Out

Greenbelt Recreation Arts hosts a childcare art activity on the second Friday of every month. Drop the kids with us, then go have a relaxing night out. While parents are having dinner at their favorite restaurant, their children will enjoy art activities, a pizza dinner and a movie. Parents are welcome to drop their child(ren) off for all or part of the time. Dinner will be served at 6:15 p.m. All children must be potty-trained to participate. Friday, October 11, 5:30 to 8:30 p.m., ages 4 to 12. Advance registration required. For more information, contact Amanda Larsen at alarsen@greenbeltmd.gov or 240-542-2062.

ERHS Homecoming Festivities End with Football Team Defeat

by Ivan Torres

Students, parents, residents and alumni gathered at the Eleanor Roosevelt High School football field on Friday, October 4 for the annual homecoming parade.

The parade is one event out of a week full of homecoming festivities in which Roosevelt students participate. Each day had its own theme. Monday was Manic Monday, Tuesday was Tie Dye Tuesday, Wednesday was Wild West Wednesday, Thursday was Nickelodeon Shows day and Friday was Class Color day.

The parade showcased student organizations from around the school such as JROTC, the Latin Honor Society, the K Club and all the representative class councils. As each organization one by one was announced on ERHS's new speaker system, each group walked around the track, flashed banners at the crowd and did chants featuring characteristics and traits of their group.

"The homecoming parade is my favorite event of the school year and as a senior, it was a bittersweet feeling that this is my last one," a representative from the senior class council stated.

"Class Color day is the most exciting Homecoming event because you have all the classes repping at the pep rally," said a sophomore JROTC cadet.

The homecoming football game immediately followed the parade to close this year's homecoming festivities. ERHS was defeated 42-14 by Oxon Hill High School.

Eleanor Roosevelt High School clubs march in the homecoming parade.

From left, Latin Honor Society members David Romero, Nathalie Trouba (riding in chariot), Min Nguyen and Michael Deras Gomez march in the ERHS homecoming parade.

October Art Share

Local artists are invited to meet up on Sunday, October 13 from 2 to 3 p.m. in Room 113 of the Community Center. This event is for teens and adults. Bring one to three pieces in any medium and join in a constructive and informal discussion of everyone's work. All experience levels welcome.

Greenbelt Cooperative Alliance Celebrate Co-op Month 2019 in Greenbelt

Co-op Month will be celebrated throughout October with a GCA banner strung across some Greenbelt roads, a display in the Greenbelt Library, Co-op trivia slides shown in the Old Greenbelt Theatre, interviews with local co-ops aired by GATE and articles and event calendar in this paper.

- Wednesday October 16**
7-9 GHI Volunteer Appreciation Social (GHI)
Trivia Night (NDC)
- Thursday October 17**
International Credit Union Day,
Refreshments in the lobby (GFCU)
- Friday October 18**

NEWSPAPER PUBLIC NOTICE

Request for Public Input Concerning the Preparation of an Environmental Assessment Addressing the Removal of Buildings at the Beltsville Agricultural Research Center

The U.S. Department of Agriculture (USDA), Agricultural Research Service (ARS), Eastern Business Service Center (EBSC) is preparing an Environmental Assessment (EA) addressing the proposed removal of buildings at the Beltsville Agricultural Research Center (BARC) in Beltsville, Maryland. Demolition of these structures, many in severe disrepair, supports USDA's effort to reduce impact on the Chesapeake Bay Watershed by eliminating these impervious surfaces. BARC's MS4 Permit requires a 20-percent reduction of all impervious surface by 2025. In addition to reducing impervious surfaces, BARC is also looking to benefit by reducing facility maintenance costs, and by promoting BARC redevelopment necessary to support research opportunities.

The USDA invites the public, governmental agencies, and other interested parties to comment about the scope of the environmental review. The input received will help develop a staged plan for removal of buildings across the BARC facility and will also help assess the potential direct and indirect effects the proposed building demolition may have on BARC resources. Please provide comments in writing, within thirty (30) days of the publication of this notice, as outlined below.

Submit written comments to:

Shari Cannon-Mackey, CEP, ENV SP, Burns & McDonnell, 8911 North Capital of Texas Highway, Building 3, Suite 3100, Austin, Texas 78759.

For further information, please contact:

Dana S. Jackson, Environmental Protection Specialist, USDA Agricultural Resource Service, Beltsville Agricultural Resource Center, 10300 Baltimore Avenue, BLDG 426 BARC-EAST, Beltsville, Maryland 20705 or dana.jackson@usda.gov.
