

NAME: Wenbin Tuo

OFFICE ADDRESS: Animal Parasitic Diseases Laboratory (APDL)
Building 1040, Room 208, BARC-EAST
Agricultural Research Service, USDA
Beltsville, MD 20705

Office Phone: 301-504-8258
Lab phone: 301-504-8285
Fax: 301-504-5306
Email: wenbin.tuo@ars.usda.gov

EDUCATION: Ph.D., 1990-1993; University of Florida, Gainesville, Florida
M.S., 1983-1986; China Agricultural University (Formerly Beijing Agricultural University), Beijing, People's Republic of China
D.V.M., 1978-1983; College of Veterinary Medicine, China Agricultural University (Formerly Beijing Agricultural University), Beijing, People's Republic of China

EMPLOYMENT:

July 2002-present Research Animal Scientist
Animal Parasitic Diseases Laboratory
ANRI, USDA/ARS
Building 1040, Room 208
Beltsville, MD 20705

April 1999-July 2002 Molecular Biologist
Animal Disease Research Unit
Agricultural Research Service
U. S. Department of Agriculture
Pullman, Washington 99164

January 1996-March 1999: Assistant Professor
Department of Veterinary Microbiology and Pathology
College of Veterinary Medicine
Washington State University
Pullman, Washington 99163

September 1993- 1995: Postdoctoral Fellow
Department of Pathobiology and
Center for Animal Biotechnology
Institute of Biosciences and Technology
Texas A&M University
College Station, Texas 77143

PUBLICATIONS

Qu G, Fetterer R, Leng L, Du X, Zarlenga D, Shen Z, Han W, Bucala R, **Tuo W**. *Ostertagia ostertagi* macrophage migration inhibitory factor is present in all developmental stages and may cross-regulate host functions through interaction with the host receptor. **International Journal of Parasitology**. 2014 May;44(6):355-67. doi: 10.1016/j.ijpara.2014.01.009. Epub 2014 Feb 28.
