

United States Department of Agriculture

Become a USDA SBIR Success Story!

AGRICULTURAL RESEARCH SERVICE (ARS) DELIVERS SCIENTIFIC SOLUTIONS TO NATIONAL AND GLOBAL AGRICULTURAL CHALLENGES.

USDA-SBIR and ARS have a formal collaboration to encourage small businesses to form research partnerships

The USDA-SBIR Request for Applications states: “Additional factors that will be considered in the review process include whether an application involves a Cooperative Research and Development Agreement (CRADA) with a USDA laboratory, or a license to a USDA technology, or is a resubmission.”

For information about working with ARS, contact:
